

Grammar Worksheet Prompt Kit for Teachers

What's Inside This Kit?

This Grammar Worksheet Prompt Kit includes 10 ready-to-use ChatGPT prompts for creating engaging worksheets on tenses, punctuation, sentence correction, and more. Perfect for Grades 2-5. Also includes layout ideas to make your worksheets more fun and student-friendly.

10 Grammar Worksheet Prompts

1. Create 5 fill-in-the-blank questions on past tense verbs for Grade 3 students. Include answer key.
2. Generate 5 sentence correction tasks with one grammar mistake each. Include corrected versions.
3. Make a punctuation worksheet with 5 sentences missing commas or periods. Provide answer key.
4. Write 5 multiple choice questions on subject-verb agreement for Grade 4.
5. Create 5 sentences for students to identify and underline verbs.
6. Make a worksheet with 5 sentences to rewrite using proper capitalization.
7. Create a matching activity with sentences and their correct tenses (past, present, future).
8. Generate a short paragraph with 5 grammar errors and ask students to find and fix them.
9. Design a worksheet that asks students to choose between two verb forms (e.g., go/went).
10. Write a set of jumbled sentences students must rearrange into proper order.

Suggested Worksheet Layouts

- Section 1: Fill in the blanks
- Section 2: Sentence correction
- Section 3: Multiple choice or match the columns
- Section 4: Find the error in the paragraph
- Section 5: Answer key on the second page
